DOCKET NO. 2004-90-WS - ORDER NO. 2006-182

IN RE: Application of Total Environmental Solutions, Inc. (TESI) for Approval of an Adjustment of Rates and Charges for Water and Sewer Services.) ORDER GRANTING) REQUEST TO SET) DEADLINE TO FILE) BRIEFS AND/OR) PROPOSED ORDERS
---	--

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request filed by counsel for Total Environmental Solutions, Inc. (TESI) on behalf of the parties to this proceeding, TESI, Foxwood Hills Property Owners Association and the Office of Regulatory Staff, for approval to set a deadline for filing briefs and/or proposed orders in response to the Commission's First Order on Remand.

On February 8, 2006, the Commission issued Order No. 2006-89, First Order on Remand, in the present docket, wherein the Commission states... "we hold that the parties shall file briefs and proposed orders... .These filings shall be due thirty (30) days after the issuance of this Order.

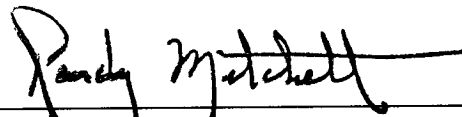

The parties to this proceeding submitted that they did not receive the First Order on Remand on the same date and raised questions concerning the language of the Order as to the deadline for the parties to submit briefs and/or proposed orders. The parties have agreed and proposed that in order to avoid a potential inequity, the parties will serve any

briefs and/or proposed orders in response to the First Order on Remand on or before March 15, 2006, and seek Commission approval of such agreement.

We have examined this matter, and have concluded that the parties' request to set a deadline for filing briefs and/or proposed orders should be granted as filed. Accordingly, the parties to this proceeding shall file any briefs and/or proposed orders in response to the Commission's First Order on Remand on or before March 15, 2006.

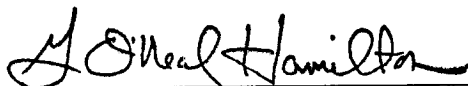

This Order shall remain in full force and effect until further Order of the Commission.
